Education

TALX UCeXpress will be putting on an e-seminar designed to impart education with respect to unemployment law. It will be designed to assist those in capacities to terminate employees how to put together a strong case in order to prevail in the unemployment arena along with what the process is and what the state looks for in deciding cases. This seminar will be made available using the Breeze presentation like the one above on Web reporting. This will enable you to view the seminar at your own leisure and timing. In the event you would like a personal education seminar, please contact Eric Oscarson, CRM at 303-466-2913 or e-mail at eoscarson@talx.com.
